

Week 15 Predictions

A full slate of games heading to crunch time in the season. So many huge games this week which has huge implications for both the playoffs and also chasing the early picks in the NFL draft.

Rams (7-6) @ (6-7) 49ers

Key Match-up: Puka and Kupp Vs 49ers secondary - its hard not to keep doing this but these two are one of the best duos in all of football, the Rams played so well on offence last week and will want to continue, good luck 49ers secondary you have a game on your hands.

Score Predictions: Rams 30-21 49ers

Chiefs (12-1) @ (3-10) Browns

Key Match-up: Chiefs offensive line Vs Garrett - Myles Garrett will pick on players as well as destroying others, Chiefs line has looked shaky in recent weeks Garrett may exploit that to give the Browns any kind of chance.

Score Predictions: Chiefs 24-17 Browns

Bengals (5-8) @ (3-10) Titans

Key Match-up: Chase Vs Titans secondary - stopping Ja'Marr Chase is going to give defensive coordinators nightmares, he is on a red hot streak and it doesn't look like slowing down soon. Expect another big game from Chase.

Score Predictions: Bengals 33-18 Titans

Commanders (8-5) @ (5-8) Saints

Key Match-up: Robinson Jr Vs Saints secondary - if the Commanders can establish the run through Robinson who is once again lead back it could be a long day for the Saints as it opens Kliff Kingsbury's playbook.

Score Predictions: Commanders 27-10 Saints

Ravens (8-5) @ (2-11) Giants

Key Match-up: Flowers Vs Giants secondary - I like Flower's match-up here, if he can get going it helps Henry, and if Henry gets going it helps Flowers. Flowers getting stopped could potentially help the Giants however there is more work to do than that.

Score Predictions: Ravens 30-10 Giants

Cowboys (5-8) @ (3-10) Panthers

Key Match-up: Cowboys pass rush Vs Panthers Offensive line - Bryce Young has been playing really well in recent weeks, if the offensive line can keep pressure off Young the Panthers could claim another victory.

Score Predictions: Cowboys 17-24 Panthers

Jets (3-10) @ (3-10) Jaguars

Key Match-up: Adams and Wilson Vs Jags secondary - the Jags have to stop the deadly duo, the season has been poor for the Jets but the two receivers are still really good, the JAGs have to stop them.

Score Predictions: Jets 21-18 Jags

Dolphins (6-7) @ (8-5) Texans

Key Match-up: Ramsey Vs Collins - these two are likely to go head to head for most of this game, the Texans play well when Collins is getting the ball. Stroud has to find him in order to do that he needs to get away from Ramsey.

Score Predictions: Dolphins 24-21 Texans

Colts (6-7) @ (8-5) Broncos

Key Match-up: Richardson Vs Nix - I love this match-up, two QB's early in their careers fighting for must win games should get the most out of them both.

Score Predictions: Colts 27-24 Broncos

Bills (10-3) @ (12-1) Lions

Key Match-up: Allen Vs Goff - this could be a superbowl game in a few weeks, it has the makings of a great game, both teams are playing great football. The QBs win this one again for me.

Score Predictions: Bills 35-38 Lions

Steelers (10-3) @ (11-2) Eagles

Key Match-up: Steelers defensive line Vs Eagles offensive line - both are arguably the best in the league, it is going to be a great battle in the trenches in this one, it could be what wins and loses the contest for the sides.

Score Predictions: Steelers 24-27 Eagles

Patriots (3-10) @ (6-7) Cardinals

Key Match-up: Pats run defence Vs Connor - the Cardinals want to run the ball and often in these types of games, the pats run defence has had some poor moments and will need to stop Connor from getting going.

Score Predictions: Pats 21-27 Cardinals

Bucs (7-6) @ (8-5) Chargers

Key Match-up: Baker Vs Herbert - both QBs have been playing well and controlling their teams offensive momentum, whichever gets hot first could be the winner in this one.
Score Predictions: Bucs 24-27 Chargers

Packers (9-4) @ (8-5) Seahawks

Key Match-up: Mckinney Vs JSN - Jaxon Smith-Njigba has been playing some unreal football recently and we are finally seeing why he was touted so highly, he will go up against safety McKinney who will operate the slot receiver making this a great contest.
Score Predictions: Packers 27-28 Seahawks

Bears (4-9) @ (11-2) Vikings

Key Match-up: Bears receivers Vs Vikings secondary - the receivers have to get open and fast for the Bears to stand a chance, Brian Flores' defence is flying high currently and will look to lock out the Bears.
Score Predictions: Bears 18-24 Vikings

Falcons (6-7) @ (2-11) Raiders

Key Match-up: Cousins Vs Crosby - Kirk hasn't looked great under pressure recently and Crosby will look to exploit that, if he can often it hands new QB Desmond Ridder a chance to operate against his old side.
Score Predictions:

Best Game to Watch

I'm going to go with a more interesting game to watch than the best game. The Colts Vs Broncos is going to be a really good game to watch as both teams have huge aspirations of making the playoffs and this could be the game that makes or breaks it for these sides.

Potential Biggest Points Scoring Game

It is hard not to look at the Bills and Lions and think it is not going to be a shoot out. Two offences playing unbelievable football. It has the makings of a classic game and potentially a superbowl preview..... Who knows???
