

This is always controversial and a matter of opinion. However this is how we view the early stages of the NFL. This is based on the strength of rosters, records and performances. We have included the fact injuries have affected the sides which has made certain teams harder to place and may have given certain teams higher and lower ranking based on the extent of injuries.

1. Chiefs 4-0
2. Vikings 4-0
3. Lions 3-1
4. Bills 3-1
5. Texans 3-1
