

Quick fire Week 11 Predictions

Due to a small family emergency it is a quick fire predictions this week.

Commanders (7-3) @ (7-2) Eagles

Key match-up: Daniels Vs Hurts - the quarterbacks are key to this game, both playing electric football.

Score Prediction: Commanders 28-31 Eagles

Packers (6-3) @ (4-5) Bears

Key match-up: Jacobs Vs Swift - this one seems a little strange and not one I would normally select, but the running game has to get going for these teams to let their receivers get better looks.

Score Prediction: Packer 29-15 Bears

Jaguars (2-7) @ (8-1) Lions

Key match-up: Jaguars defence Vs Lions offence - the Jags defence somehow has to keep them in the game otherwise this will be over in a flash.

Score Prediction: Jaguars 10-41 Lions

Vikings (7-2) @ (2-7) Titans

Key match-up: This is the opposite - Vikings defence Vs Titans offence - if the titans can not get the offence moving the ball this will be another game that could be over quickly.

Score Prediction: Vikings 33-17 Titans

Raiders (2-7) @ (3-6) Dolphins

Key match-up: Maxx Crosby Vs Tua Tagovailoa - for me Crosby has to get to the quarterback and stop Tua getting the ball out.

Score Prediction: Raiders 21-28 Dolphins

Rams (4-5) @ (3-7) Patriots

Key match-up: Kupp and Nacua Vs Gonzales and Jones - The Patriots corners have to stop the two big weapons in this one for the Patriots offence to be in the game.

Score Prediction: Rams 27-24 Patriots

Browns (2-7) @ (3-7) Saints

Key match-up: The offences - which ever offence can get going will be key to winning this as both offences have struggled this year.

Score Prediction: Browns 24-21 Saints

Colts (4-6) @ (3-7) Jets

Key match-up: Richardson Vs Rodgers - both qbs have struggled and both need to lead their team to victory for any chance of the playoffs.

Score Prediction: Colts 28-20 Jets

Ravens (7-3) @ (7-2) Steelers

Key match-up: Huge match-ups all over the field but TJ Watt Vs Lamar Jackson is the biggest, if TJ and the rest of the edge players can keep Lamar contained it could give us a great match-up

Score Prediction: Ravens 30-27 Steelers

Falcons (6-4) @ (5-5) Broncos

Key match-up: Bijan Vs Strand and Barton - the Broncos linebacker have to stop Bijan who is improving and impressing every week

Score Prediction: Falcons 24-21 Broncos - could go either way though.

Seahawks (4-5) @ (5-4) 49ers

Key match-up: Ernest Jones IV Vs CMC - the Seahawks have to stop CMC, who is likely to be involved more this week than last. CMC has to be stopped.

Score Prediction: Seahawks 27-33 49ers

Chiefs (9-0) @ (8-2) Bills

Key match-up: Mahomes Vs Allen - no bigger in football than Mahomes Vs one of the other greats in the league, Allen has been NFL chat UK's MVP so far this year and he has to go again here.

Score Prediction: Chiefs 21-27 Bills - Chiefs to lose their perfect record.

Bengals (4-6) @ (6-3) Chargers

Key match-up: Burrow Vs Herbert - another battle of two of the best quarterbacks, both laying well and helping their team when required.

Score Prediction: Bengals 24-27 Chargers - another that could go either way.

Texans (6-4) @ (3-6) Cowboys

Key match-up: Tunsil Vs Parson - a match-up I have waited for, two of the very best in their positions, Tunsil has to stop pressure getting to Stroud and Parsons will want to get there quickly.

Score Prediction: Texans 30-17 Cowboys

Teams on a Bye

Giants, Cardinals, Bucs, Panthers

Game of the Week

A fair few to choose from, Commanders V Eagles would be a good choice, Ravens V Steelers as well. However it is so hard to ignore Mahomes and the Chiefs Vs Allen and the Bills. Both the top seeds in the AFC. Both wanting to get a playoffs bye week. This one could be an all time classic.
